Help Our Neighbors Beat The Heat

People experiencing homelessness are disproportionately impacted by extreme heat. The Kearney Center is asking for help with outreach efforts in the form of donations of essential summer supplies such as water, sunscreen, and cooling towels. For more information, visit the Kearney Center website. These items can also be donated to our Wednesday ministry team; speak to Jon Dodrill about current needs.

2026 Nominating Committee

The 2026 Nominating Committee asks the congregation for their prayers as they begin their work to develop a slate for next year's elected officers. In a few weeks, the committee will present this slate to the congregation for the selection of five candidates for the 2029 Ruling Elders and five candidates for the 2027 Nominating Committee.

The current committee welcomes input and nominations from the congregation. Yellow nomination forms will be available in the Narthex on Sunday; they can be filled out and placed in the offering plate or handed to an usher. The names of potential nominees can also be given or emailed to committee members Kay Crowell, John Guthrie, John Hightower, Margy Norman or Louise Rill.

Endowment Management Committee Report to the Congregation

The Endowment Management Committee has proposed some changes to the Legacy and Gifts Plan. In addition to reducing some redundancy and clarification of some wording, there are a few more significant changes being considered, including:

1. Adding a "Strategic Fund" where monies can be held and invested but not be untouchable or restricted as are most other funds of the Legacy and Gifts Plan.
2. Merging the Board of Trustees with the Endowment Management Committee and including the Church Treasurer. Their current responsibilities are closely related.
3. Placing a threshold on the "untouchable" Endowment Fund balance that would allow the Session to use funds above a threshold for purposes that would help sustain the First Presbyterian Church into the future. The Endowment Fund balance is currently approaching \$4 million, and the proposal is placing the threshold at \$3 million. Funds above the threshold could be used if the Session "determines the Church's ministry, future, or sustainability is at risk" and "is envisioned as a limited and temporary measure necessary for the long-term health and survival of the Church to increase membership, attendance, and income."

The Session would like to hear congregational feedback on the proposed changes. Please see the detailed wording of the proposal that is posted on the church bulletin board as well as on the [website](#). Contact any Endowment Management Committee or Session members if you have any questions or concerns.

Technical Assistance Invited!

Unsung hero Carl Morse has been doing the lion's share of what is necessary to stream our Sunday services as well as special services.

Previous video assistants have had to step back for various reasons, and we are hoping to find some assistance for Carl in setting up and supervising the Sunday live streams.

Training is available!

Please let the church office know if you would be willing to serve.
