

FIRST PRESBYTERIAN CHURCH

Tallahassee, Florida

DRAFT

LEGACY AND GIFTS PLAN

INTRODUCTION

Christian stewardship involves the faithful management of all the gifts God has given us time, talents, the created world, even our money. For many people, the stewardship of money means current income and its use. Stewardship is concerned equally, however, with accumulated, inherited and appreciated resources.

Those who came before us have provided a meaningful heritage of religious experiences and physical facilities. We have been entrusted with the continuing duty of the benevolent, educational and mission work of the Christian Church. It is also our obligation to provide for the continued care and upkeep of the structures erected and paid for by our predecessors. These buildings that serve us today are a tribute to their vision, faith and sacrifice.

ARTICLE I

ESTABLISHMENT OF PLAN

To aid in expanding our work and mission as Christians, to provide perpetual care and upkeep for the physical facilities of the First Presbyterian Church of Tallahassee, Florida, and to seek and receive gifts, bequests, memorials and other contributions for these purposes, we therefore create, adopt and establish a Legacy and Gifts plan.

This plan is to be administered in such a way that it does not diminish responsible continued support and involvement of church members.

ARTICLE II

OBJECTIVE OF PLAN

The objective of the Plan is to encourage gifts, bequests, and other planned giving to First Presbyterian Church and to provide a mechanism for the use of such gifts to further the mission of the Church and the work of Jesus Christ.

ARTICLE III

CREATION OF FUNDS

~~First Presbyterian Church There are hereby created~~~~creates five six~~ separate Funds, as described below. Except for unusual or extraordinary financial shortfall or need, only the Emergency Operation Fund and the Strategic Fund, ~~these Funds~~ shall be used by the Session for needs beyond the normal operating budget of the Church. ~~They shall be held separate from all other Church funds.~~ The Funds are not intended to exist and be maintained in competition with the normal stewardship programs of the Church, ~~and it is not contemplated that the assets of the Funds will be used in discharging current budgeted operating expenses of the Church.~~ Separate accounts may also be established within each Fund for a specific purpose(s).

3.1 Facilities Reserve Fund. The principal and income from the Facilities Reserve Fund shall be used to provide perpetual care and upkeep for the physical facilities of First Presbyterian Church. The expenses related to routine maintenance and normal housekeeping are not intended to be the subject of Fund disbursement since these items should be included in the normal annual operating budget. In addition, the annual Church budget should make a substantial contribution to the Facilities Reserve Fund. It is intended that ~~t~~ The Facilities Reserve Fund ~~should~~ be used only for major repair items (even if they could reasonably be routinely anticipated) such as replastering and/or repainting the sanctuary, repairs and refurbishing buildings, air conditioning or heating system repair or replacement, roofing, painting, construction or landscaping projects. The Session shall, in its sole and absolute discretion, determine and direct the use of this Fund in accordance with this paragraph.

3.2 Outreach Fund. The principal and income from the Outreach Fund shall be used by the Session for First Presbyterian Church's extended mission and outreach work. Potential uses might include, but are not limited to: Christian education; special outreach programs to ethnic, elderly, disadvantaged or unhoused/homeless people in the Church's ministry; mission-oriented and evangelistic projects; ecumenical projects; and causes of First Presbyterian Church, ~~the Presbytery, the Synod, and the General Assembly of the Presbyterian Church U.S.A.~~ The Session, shall in its sole and absolute discretion, determine and direct the use of this Fund in accordance with this paragraph.

3.3 Endowment Fund. The principal of the Endowment Fund shall be invested ~~in perpetuity~~ for growth and income. One-half of the annual income (interest and dividends) from ~~this Endowment fund~~ shall accrue to the Facilities Reserve Fund and one-half to the Outreach Fund, ~~unless specifically requested otherwise by the donor~~. The purpose of the Endowment Fund is to expand and enrich the mission of the Church, not to support the annual budget. ~~When the corpus of the EF exceeds \$3 million (adjusted for inflation from 2026), and the Session determines the Church's ministry, future, or sustainability is at risk, it may use these excess monies to address this issue. The use of this provision is envisioned as a limited and temporary measure necessary for the long-term health and survival of the Church to increase membership, attendance and income. Examples of this use might include a multi-year contract with an individual or entity to revive the youth program, a youth minister, or a part-time assistant minister. It might also be needed to address uninsured catastrophic damage to the Church facilities.~~

3.4 Christian Education Fund. Established by an anonymous donor in 1997, this Fund is to be invested for both growth and income. The income (interest and dividends) from this ~~Fund~~ is designated to provide additional resources for special projects or events that could help a child (or group) learn the joys of Christian living and enhance the Church's effectiveness in its youth programs. It is to be used for "people" oriented activities in areas not normally associated with the regular Church budget. Examples suggested by the donor include sending a needy child to a church camp, making an unusual one-time purchase for the youth program, assisting a child that lives in an abusive household, and helping give people Christian experiences. The donor specifically requested the ~~Fund~~ not be used to purchase routine curriculum packages or a vehicle.

3.5 Emergency Operation Fund. This ~~Fund~~ is to ensure the stability of the mission, programs, employment, and ongoing operations of the Church. It is intended to provide an internal source of funds for situations such as a sudden increase in expenses, on e-time unbudgeted expenses, unanticipated loss in funding, or uninsured losses. A target minimum size of the ~~Fund~~ is three months operational budget and shall be kept available in cash or cash equivalent funds. Annual Church budget contributions to support and maintain the ~~Fund~~ are encouraged. If the ~~Fund~~ is used, efforts should be taken to replenish it within a reasonably short period of time. Expenditures from the ~~Fund~~ shall be determined and authorized by the Session. To be clear, the purpose of this fund is to allow the Church to subsist through unforeseen revenue shortfalls or one-time expenses, e.g., a natural disaster or pandemic.

3.6 Strategic Fund. This fund is created to help the Church grow in service and membership. It may also serve as a holding fund for other Church monies until needed.

ARTICLE IV

ASSIGNMENT OF GIFTS RECEIVED

Although prospective donors should be encouraged to place as little restriction as possible on the gift in order that long-range goals set forth in the Plan may be achieved, gifts to the Plan may be either undesignated or designated.

5.1 Undesignated. These funds shall be allocated one-half to the Endowment Fund and one-half to the Facilities Reserve Fund.

5.1.1 If an undesignated gift greater than \$20,000 in value is received by the Church, the financial needs of the Church shall be evaluated by the ~~EMC Management Committee~~ as to whether the provisions of Paragraph 5.1 are appropriate for this gift, and make a recommendation for use of this gift to the Session. If the Session determines that the provisions of Paragraph 5.1 are not appropriate for the gift, the Session shall, at its discretion, use the gift as it deems most appropriate.

5.1.2 If the Session so determines, it may assign some or all undesignated gifts made after January 1, 2022 to the Emergency Operation Fund ~~or the Strategic Reserve Fund.~~

Special Project Accounts are generally intended to be short term in nature, and should, whenever possible, last no longer than one year.~~

~~5.2.2 The Management Committee may counsel with any donor who has indicated an intention to make a designated gift, if the donor's restrictions, conditions, form, or uses do not appear to be consistent with the Church's existing policies or missions. The Session, has the power to decline a gift if the restrictions, conditions, form, or uses are deemed inappropriate.~~

5.2.3 If a donor has designated a gift for a particular purpose, and if that purpose is or becomes contrary to the policies or missions of the Church, or if the amount of the gift is substantially greater than the need of the Church for that particular purpose, the Church shall attempt to use the gift, or the amount in excess of the need of the Church, for a purpose as close as possible to that designated by the donor. If no such use can in good faith be found, the principal, the balance, or the income from the gift shall be placed in the Endowment Fund. Similarly, if the unused balance of the designated gift is reduced to a level that limits the gift's effectiveness, this balance shall be placed in the Endowment Fund. If reasonably possible, the donor's approval will be requested and obtained prior to movement of these monies.
